Corporate Introduction

GNV Consulting Services (GNV Consulting) is widely recognized as one of the leading tax, customs, and business consulting firms in Indonesia.

GNV Consulting was established in 2010 by experienced professionals who previously held senior positions (as Partner or Director) in Big Four and major consulting firms.

Starting in 2017, GNV has become an independent member of Moore Global Network Limited.

Our professionals have substantial experience in tax, customs, transfer pricing, and business advisory. Our tax and customs advisory team is comprised of individuals with professional certifications and licenses as tax and customs consultants and tax court attorneys.
